

## Ordering Information

This software is distributed as shareware for evaluation for ninety (90) days (see license.txt). Please remember that using unlicensed shareware past the evaluation period is unethical and illegal. Your registration pays for software development and support costs, and helps ensure future development and support.

To register and receive the latest version of this software, and free support by email for one year (up to 10 incidents), please complete this order form.

Note: Your registration remains in effect for all future versions of this software with the same major release number (for example, all of versions 2.0 through 2.99).

## Registration Information (Please print clearly)

Name: \_\_\_\_\_  
Organization: \_\_\_\_\_
